Continuation of Disposition of Claims: Claims pending in the application are 1,3-5,10,12-20,22,23,28-32,34-47,49,50,52,53,55-95,97,100-102,104-115,117-119,122-124,129-135 and 160-173.

Continuation of Disposition of Claims: Claims subject to restriction and/or election requirement are 1,3-5,10,12-20,22,23,28-32,34-47,49,50,52,53,55-95,97,100-102,104-115,117-119,122-124,129-135 and 160-173.

***Election/Restrictions***

1. I. Claims 1, 3-5, 10, 12-20, 22-23, 28-32, 34-47, 49-50, 52-53, 55-95, 97, 100-102, 104-115, 117-119, 122-124, and 129-135 are drawn to a protective laminated, breathable pad, classified in class 2, subclass 455.

II. Claims 160-173 are drawn to a shoulder pad, classified in class 2, subclass 459.

2. The inventions are distinct, each from the other because of the following reasons:

Inventions I and II are unrelated to one another. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions I and II are unrelated, since invention I pertains to a laminated pad, while invention II pertains to a shoulder pad.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.
